Sahara Customs Clearing Agency | Sahara Trading Company is a trusted, professionally managed, and results-driven organization delivering comprehensive Import & Export, Customs Clearance, Freight Forwarding, Afghan Transit Trade, Supply, and Contracting solutions. With decades of proven industry experience and a strong operational presence across Pakistan, we serve clients throughout Pakistan, China, the United States, India, Afghanistan, and Central Asia. Our strength lies in combining regulatory expertise, operational efficiency, and strategic logistics capabilities to deliver seamless trade solutions that help our clients compete and grow in regional and international markets.

Import & Export Solutions:

We provide end-to-end Import and Export management services, enabling businesses to operate confidently in complex global trade environments. From regulatory compliance and documentation to shipment execution and coordination, our team ensures precision, transparency, and timely delivery. Our structured processes reduce risk, eliminate delays, and allow our clients to focus on growth while we manage the complexities of international trade.

Customs Clearance & Regulatory Expertise:

Sahara Customs Clearing Agency is recognized for its fast, compliant, and dependable customs clearance services nationwide. With in-depth expertise in Pakistan Customs laws, SROs, valuation rules, HS classification, and trade regulations, we deliver smooth clearance at Seaports, Dry Ports, Airports International land borders.

We handle commercial cargo, government consignments, project shipments, machinery, vehicles, and specialized cargo, ensuring minimal clearance time, full compliance, and cost efficiency.

Freight Forwarding & Integrated Logistics:

We provide end-to-end freight forwarding and integrated logistics solutions through air, sea, and land transportation, customized to meet the operational and commercial requirements of our clients. Our logistics framework is designed to ensure speed, security, cost efficiency, and full regulatory compliance across the supply chain.

Our services include

- International and domestic freight forwarding
- Sea freight (FCL, LCL, breakbulk, and project cargo)
- Land transportation and cross-border logistics

- Warehousing, consolidation, and inventory management
- Heavy-lift, oversized, and project cargo handling
- Door-to-door logistics and supply chain coordination

Supported by a reliable global partner network, we ensure optimized routing, competitive freight rates, secure cargo handling, and real-time shipment visibility.

Air Freight & Air Customs Clearance Expertise:

Sahara Customs Clearing Agency | Sahara Trading Company offers professional air freight forwarding and specialized air customs clearance services at all major airports across Pakistan, including Islamabad, Lahore, Karachi, and Peshawar.

Our air logistics solutions are ideal for time-

sensitive, high-value, perishable, and urgent shipments, ensuring rapid movement with full compliance and precision handling Air Freight Services,

- Airport-to-airport shipments
- Door-to-airport and airport-to-door solutions
- Express and priority air cargo handling
- Perishable and temperature-sensitive cargo management

Our experienced team ensures fast and compliant customs clearance for air cargo, managing:

- Accurate documentation and regulatory approvals
- HS classification and valuation compliance
- Coordination with airlines, handling agents, and customs authorities
- Rapid release of cargo to minimize dwell time and costs

By combining air freight forwarding with expert air customs clearance, we provide a seamless, time-efficient, and fully controlled air logistics solution for commercial, government, NGO, and project cargo.

Afghan Transit Trade (ATT):

Sahara Customs Clearing Agency | Sahara Trading Company is a reliable and experienced partner in Afghan Transit Trade, offering secure and efficient cargo movement from Pakistan to Afghanistan.
